

Finolex Industries Limited receives accolades from Pune Customs...

Finolex Industries Limited (FIL) was awarded, an appreciation trophy and certificate from the Commissionerate of Customs, Pune, on the International Customs Day which was celebrated at the ICE house, Pune, on 27th Jan 2010. Finolex Industries Limited, Assistant M.D. Mr. P. Subramaniam received the award by the hands of Chief Commissioner, Central Excise & Customs, Pune Zone, Mr. K. C. Singh.

FIL has been awarded with this appreciation for its responsible conduct towards following the Customs and Excise norms. FIL has constantly met all the necessary guidelines mentioned by the administration and feels pride to abide by them.

“We take this award as an appreciation from the administration for our incessant cooperation towards the administration and its affairs and we look forward to be consistent in the same.” – said Mr. P. Subramaniam.

FIL is a part of Rs.3500 Crores Finolex Group and the largest manufacturer of PVC Pipes and Fittings in India. The Pipes division of FIL is the first Indian Pipe manufacturer to be awarded IS/ISO 9001:2000 Certification. FIL offers a wide range of PVC Pipes and Fittings from 20mm to 400mm diameter for diverse applications in Agriculture, Housing, Industry, etc.

The production capacity of the Pipes division of FIL is spread over its two ultramodern Plants at Urse-Pune and Ratnagiri, Maharashtra. FIL is in the process of increasing this capacity further in the current financial year. FIL has a Nation wide distribution network with more than 15,000 dealers and retailers spread across the country.

FIL is also the only PVC Pipes manufacturer to have its own PVC Resin plant. This ultramodern PVC Resin plant is located at Ratnagiri-Maharashtra, with a capacity of 2, 60,000 TPA.
