Total Electrical Solutions

Started in 1958, Finolex Cables Limited is India's largest and leading electrical and telecommunication cables manufacturer. Finolex Cables has always believed in enhancing capabilities and augmenting the product basket. In last few years, besides the cable business the company has forayed into new segments and added new products under the Finolex brand.

The company offers Total Electrical Solutions with products like Electrical Wires, 3 Core Flat Cables, Communication Cables, Telecommunication Cables, Flexible Cables, Auto Cables, Copper Rods, CFLs, LED Lighting Range, Electrical Switches, Switchgears, Fans and Electric Water Heater range. Finolex Cables Limited has four manufacturing facilities viz. at Pimpri (Pune), Urse (near Pune), Verna (Goa) and Roorkee (Uttarakhand).

Finolex Fans

Finolex comes with unique and exclusive range of Ceiling, Table, Pedestal, Wall, Exhaust and Multipurpose fans. The Finolex fans range offers unique and unprecedented aesthetics and value for money performance which is the result of our in-house engineering expertise. Finolex Ceiling Fans are available in a variety of designs and sizes from 600 mm to 1400 mm that cater to varied consumer needs-from Premium ceiling fans that can add up to the aura of any living room to the plain and simple workhorses. The Finolex Ceiling fans range is classified in three segments "Premium", "Decorative" and "Smart". The Premium series of fans are niche products. The decorative series has simple and subtle models that are both modern and futuristic. Smart series has standard and economy fans which are functional and simple. The ceiling fan range boasts of unmatched performance.

Finolex Table, Pedestal and Wall fans are available in high speed and normal speed motors. Table and Pedestal have sturdy and elegant bases and are available in 400 mm. Wall fans have double strings for easy speed and swing selection and along with 400 mm they are also available in 300 mm. The Exhaust fans range has many options to choose from for usage in washrooms, kitchens, offices and commercial establishments. The range includes light duty, heavy duty and high speed fans. The metal series has bird guards whereas the fresh air series comes with automatic louver shutters. The range includes options in 100 to 600 mm. Finolex Delight: The entire Fans range is backed by a nationwide on location after sales service set-up with a dedicated customer care toll free number that brings service right to the customers door step.
