About

Finolex Cables Limited

Finolex Cables is amongst India's leading electrical and telecommunication cable companies. It is rapidly transforming from a manufacturer of wires and cables into an electrical products company, by expanding its product portfolio to market products like lighting, water heaters, fans, switches, switch gears, electrical conduits & room heaters. Further reinforcing its reputation of offering innovative products that cater to the needs of modern households.

Recognizing the undeniable benefits associated with large volumes, Finolex Cables has enhanced its capacities at its state-of-the-art manufacturing facilities spread across Goa, Maharashtra and Uttarakhand. To give flexibility to its supply chain, Finolex cables has established a network of 600 distributors, 4000 channel partners and over 1,50,000 retailers, all connected by an effective SAP system.

Finolex Cables is constantly working to introduce innovative technologies & enhancing technical competencies while prioritizing customer requirements, quality and environmental concerns. A modest journey that began in 1958 has spanned a course of six eventful decades.
