About

Finolex Cables Limited

Finolex Cables is amongst India's leading electrical and telecommunication cable companies. It is rapidly transforming from a manufacturer of wires and cables into an electrical products company, by expanding its product portfolio to market products like lighting, water heaters, fans, switches, switch gears, electrical conduits & room heaters. Further reinforcing its reputation of offering innovative products that cater to the needs of modern households.

Recognizing the undeniable benefits associated with large volumes, Finolex Cables has enhanced its capacities at its state-of-the-art manufacturing facilities spread across Goa, Maharashtra and Uttarakhand. To give flexibility to its supply chain, Finolex cables has established a network of 600 distributors, 4000 channel partners and over 1,50,000 retailers, all connected by an effective SAP system.

Finolex Cables is constantly working to introduce innovative technologies & enhancing technical competencies while prioritizing customer requirements, quality and environmental concerns. A modest journey that began in 1958 has spanned a course of six eventful decades.

***Warranty against manufacturing defects only in case of accessories.**

Finolex Cables Limited shall repair or replace products, at their discretion, if the products are found to be defective, solely as a result of a faulty material and/or workmanship, within 10 years from the date of purchase, in the case of electro-mechanical wiring device products. The guarantee for all mains related electronic wiring products viz. Dimmers, USB Charger step fan regulators & indicators modules shall be for a period of two years from the date of purchase.

The guarantee defines the company's entire liability & does not cover consequential loss or damage, or re-installation cost arising from the defective product. The company reserves the right to change/improve the design, without prior notice. In such cases, replacements shall be carried out, with the design of the accessories prevailing at that point in time.

The guarantee for all products shall be rendered null & void, if the product is altered, dismantled or rectified.
